Articles should not normally exceed 5,000 words although exceptions can be made. Each article should be prefaced with an abstract. Contributors should indicate both their E-mail and Fax numbers on their submission. All articles will be refereed by the appropriate panel.

Submission of an article by authors shall be accepted as confirmation of the assignment of copyright to the Institute for the Study of Man, as publisher of *The Journal of Indo-European Studies*, in the event the article is accepted for publication. However, authors will retain the right to reuse their material in other publications, preferably not less than one year after initial publication in the *Journal of Indo-European Studies*, with the normal acknowledgment of prior publication in *JIES*.

SUBMITTED FORMAT:

All articles should be submitted in both printed form (three copies with double spacing) and on computer disc, preferably CD. The preferred format is Microsoft Word for Macintosh or Windows; if any other format is submitted, a copy of the text should also be produced in Rich Text Format (RTF) to facilitate file conversion. Figure captions are treated as text and should be appended to the text of the article. Phonetic marks should be clear and distinct.

All tables and figures should be submitted separately. Illustrations should be submitted on standard size (American 8.5 x 11 inch or International A4 sized paper) and the number of the figure should be written lightly on the back in pencil. Figures may also be submitted on disc in any format supported by Adobe Photoshop, Illustrator, or InDesign. Authors submitting papers containing complex tables embedded in the text, figures generated by the word processor, rarely used fonts, or constructed phonetic characters will greatly facilitate
